WORK EXPERIENCE

Google Argentina

Senior Solutions Consultant

Nov 2017 – Feb 2020

gTech Professional Services for Publishers team makes sure that our external partners are able to grow their business with the full support of Google's products. Publisher Solution Consultants are advertising and technology mavericks who serve as liaisons between our biggest partners and Google's Sales, Product, and Engineering teams.

I advice over 100 different partners in LATAM and the US with proactive and reactive projects, events, talks and custom code.

Diversity Ambassador

July 2019 – Feb 2020

Due to my work as a part of the leadership team of the Women@ ERG and for my work to support new parents at the office I received this role as a Buenos Aires Diversity Ambassador. I'm a trained facilitator for DEI programs in our office, I facilitated courses for teammates and managers, both local and internationally.

Chicas en Tecnología

Co-founder

March 2015 – present

Chicas en Tecnología is a non-profit organization that seeks to motivate, empower and increase the knowledge and enthusiasm of young women for technology. Though the years I had several roles including Team Manager, curricula leader and Program Manager.

- We have expanded our programs to all Argentina: We have presence in 14 provinces and employ 5 people full time .
- +2,000 teenage girls, +100 technical mentors and +500 teachers and parents are part of our programs
- We have an active research area with publications funded by partners such as IDB.

Fundación Huesped

Consultant / Program Manager

December 2016 – March 2017

Fundación Huesped is an Argentine organization that works in the public health field focusing on HIV/AIDS, STIs, as well as sexual and reproductive health.

I did a 3-months consulting job to help coordinating Fundación Huesped's technical projects implemented by external providers.

Gobierno Abierto, Argentina Government

May 2015 – August 2016

- **Subsecretaría de Innovación Pública y Gobierno Abierto, Argentina Government**

Team Manager

Our team was in charge of creating, obtaining, publishing and generating products and visualizations with Open Data.

I coordinated a team of 8 programmers, devops and UX designers in the Open Data office in the Argentina Government.

- **Laboratorio de Gobierno, Buenos Aires City Government**

Digital Innovation Manager

Our team was in charge developing products, data visualization and internal tools that generate and use open data.

I coordinated a team of three programmers and one UX designer.

Google, Mountain View, USA

Software Engineering Intern

December 2013 – February 2014

Internship hosted by the engEDU team called CS Academy. This team designs and runs all the global educational program inside and outside Google. I coded mostly in Python with App Engine.

Manas Technology Solutions - InSTEDD iLab Latam

Full Stack Developer

February 2009 – May 2015

Manas is company partnered with InSTEDD, an NGO specialized in building integral solutions for health, humanitarian and educational purposes which targets users in Africa, Southeast Asia and Latin America. Coded: Webapps in Ruby on Rails + Knockout.js, Android and iPhone apps and infrastructure projects using C#.

EDUCATION

Recurse Center, New York

Mar 2017 – May 2017

The Recurse Center is a full-time, self-directed, educational retreat for people who want to get better at programming, whether they've been coding for three decades or three months.

Acceptance rate is lower than 10 %. I received a full scholarship to cover my living expenses.

University of California, Berkeley

Dec 2016 – April 2017

Innovation for Equality Fellow

University of Buenos Aires UBA, Faculty of Exact and Natural Sciences

Bachelor in Computer Science

2007 – 2012

VOLUNTEERING

Global Shaper - Chosen by the World Economic Forum

June 2014 – May 2017

Member of the Buenos Aires hub

The Global Shapers Community is an interdisciplinary network of hubs developed and led by young working to a make a contribution to their communities.

- World Economic Forum, Davos, Switzerland

Jan 2016

I was one of the 50 Global Shapers in the world chosen to participate in the World Economic Forum in Switzerland.

Latinity Conference Chile & Perú

Nov 2015 & Aug 2017

Scholarship Chair

Latinity is the first latin american conference about Women in Computing with thousands of women technologist attendant.

I designed the strategy, rubric and coordinated the selection of the 50 scholarship recipients in over 500 international applications..

One Young World in Bogotá Colombia

Oct 2017

Argentina Delegate

OYW is an annual Summit that gathers together the brightest young leaders from around the world, empowering them to make lasting connections to create positive change. I was the only Argentina that will be sponsored to participate with a Scholarship awarded by Audi.
